## Physiotherapy

Physiotherapy is a healthcare profession focused on assessing, diagnosing, and treating physical impairments, injuries, and disabilities. Through techniques like exercise, manual therapy, and education, physiotherapists help patients restore movement, reduce pain, and improve overall function. It plays a critical role in rehabilitation, promoting health and wellness across all age groups.

University	Country	Degree Offered	Entry Requirements	Application Process	Special Conditions/Notes
University of Birmingham	UK	BSc Physiotherapy	A-Level: AAB (including Biology or PE)	UCAS	Interview required, work experience in healthcare recommended.
Trinity College Dublin	Ireland	BSc Physiotherapy	Irish Leaving Cert: H1 in two subjects, H2 in four (including Biology, Physics, or Chemistry)	CAO	Interview may be required, minimum 60 hours of relevant experience.
University of Southampton	UK	BSc Physiotherapy	A-Level: ABB (including one science subject)	UCAS	Work experience or shadowing recommended.
University of Nottingham	UK	BSc Physiotherapy	A-Level: AAA (including Biology or PE)	UCAS	Interview required, work experience in healthcare recommended.
University of Liverpool	UK	BSc Physiotherapy	A-Level: AAB (including Biology or PE)	UCAS	Work experience required, may involve an interview.
University College Dublin (UCD)	Ireland	BSc Physiotherapy	Irish Leaving Cert: H1 in Chemistry, Biology, and another science subject	CAO	Interview may be required, healthcare experience recommended.
University of Salford	UK	BSc Physiotherapy	A-Level: BBB (including Biology, PE, or Psychology)	UCAS	Relevant experience or shadowing recommended.
Glasgow Caledonian University	UK	BSc Physiotherapy	A-Level: BBB (including Biology)	UCAS	Interview and work experience recommended.
Ulster University	Northern Ireland	BSc Physiotherapy	A-Level: BBB (including Biology)	UCAS	Relevant experience or shadowing recommended.

### Notes:

**Application Process:** Applications for UK universities are processed through UCAS, while Irish universities use CAO.

**Special Conditions:** Most programs recommend or require relevant work experience or shadowing, and some may require an interview.
